If the answer is yes to the above question please answer the below questions:

i. Does the Applicant have formal business continuity / disaster recovery plans?

.....

ii. In what way would revenue/profit be impacted following a disruption to, or failure of, the Applicants computer system, network or applications? Please include estimates of lost revenue, 3rd party liability and customer churn.

.....

iii. After what time would the disruption lead to a reduction in net profit:

.....
.....

iv. Brief description of actions taken to prevent outages from occurring - including usage of backup power systems, fault tolerant architecture, excess bandwidth for multiple providers, etc.

.....
.....

v. Description of the actions the Applicant would take to mitigate the duration of such disruption if it were to occur, including details of any operational and system failover measures.

.....
.....

vi. Description of any mitigation measures to limit the impact of a material interruption. Examples of such costs may include additional staffing / overtime, opening additional contact centres or re-housing IT equipment/ servers /data centres or making customer compensation payments.

.....
.....

vii. Please confirm if you have any specific vendors, rather than the vendors being offered as part of our offering (Norton Rose, Holman Fenwick Willan, Navigant, KPMG, FleishmanHillard Fishburn):

.....
.....

I/we declare that this proposal form has been completed after a fair presentation of the risk being made by the insured; its contents are true and accurate and that all material facts and matters or sufficient information to put a prudent insurer on notice that further enquiries are needed has been disclosed to the Insurer as part of this Proposal Form.

I/we undertake to inform you before any contract of insurance is concluded, if there is any material change to the information already provided or any new fact or matter arises which may be relevant to the consideration of this Proposal for insurance.

I/we under that non-disclosure or misrepresentation of a material fact or matter entitle the Insurer to avoid the policy, may impact the terms of the cover or may mean that a claim is not paid or is not paid in full.
