

Events

Event insurance at home or in the neighbouring countries

In short

Which kind of events?

Companies organize an event several times a year. Hereby you can think of: teambuilding activities, receptions, seminars, business lunches or open days. Associations organise neighborhood -and village festivals, cycling competitions, carnival parades, fairs, trade fairs, and concerts.

In addition, individuals also organize numerous activities. Hereby you can think of: a wedding or a birthday party, the celebration of a relocation or promotion. For every occasion there could be a reason for an event.

The objective

AIG Events covers the consequences of accidents that could occur during these events, at home or in neighbouring countries, according to the purchased formula.

As an option, AIG Events will cover luggage and can provide the AIG Assistance package for events taking place in the neighbouring countries.

The policy is also able to cover the organiser's civil liability for events taking place in the country of residence.

Duration

AIG Events covers events starting as from a few hours to several days. Upon request, AIG can build an open cover policy covering all the events organised by the policyholder throughout the year.

AIG can also offer cover on an annual basis for members of, for example, dance, photo or music clubs, artistic workshops, yoga, fancy-fairs, sports clubs, ...

The insured persons

The insured persons can be the organisers, the volunteers as well as the participants and/or the spectators. Personal accident insurance can be a sensible addition to commercial liability insurance.

The coverages

The 'personal accident' section offers 5 formula's (difference in insured amounts, not in guarantees) with premiums ranges from € 0,50 to € 3,50 per person per day (excluding taxes) with the possibility to increase the insured amount for temporary disability if desired.

For cases not covered by a commercial Liability policy and insofar as the event takes place in the country where the policyholder has his place of residence (Belux), AIG Events proposes the guarantee 'organiser's civil liability'. If, on the other hand, the event is taking place in a neighbouring country, Baggage and Assistance insurance can be purchased if desired.

The scheme below provides an overview of the possible guarantees, insured amounts and corresponding premiums.

**Guarantees & prices** [in €]

The numbering of the guarantees refers to the section numbers of the general conditions.

Premiums include taxes (9,25%) and charges (€5). Limits are applicable per insured person and per claim. When paying the Sport + premium (+ 50%) accidents resulting from high-risk sports such as motorized activities, survival and canyoning are covered at 100%.
