

Political Security Assessment Rating Map

The political category provides an assessment of the political conditions within a territory, and its impact on businesses and foreign travelers. The category incorporates analysis of challenges to government authority and its perceived legitimacy, and the prevalence of corruption and presence of sanctions. It also provides assessment of the level of judicial independence and measures the consistency of application of legal decisions.

POLITICAL ASSESSMENT RATING BREAKDOWN

EXTREME

The country is effectively a failed state. Institutions are unable to provide basic services, and there is total breakdown of law and order.

HIGH

State institutions are unreliable and ineffective throughout most of the country, and can only provide basic services in its capital and/or major urban centers.

MODERATE

State institutions are fairly competent but face challenges that affect their ability to provide basic services in parts of the country.

LOW

State institutions are mostly competent and effective, and provide reliable services across most of the country.

MINIMAL

State institutions are well-established and functioning, and are respected internationally.

NOT ASSESSED

The location depicted has insufficient data available for a rating.

Global Risk Forecast 2022

About Crisis24, a GardaWorld company

Crisis24, a GardaWorld company, draws on 30 years of field experience to provide actionable risk management solutions to organizations around the world seeking to stay ahead of emerging risks. Our in-country intelligence analysts, highly specialized operational experts and proprietary technology platform enable us to deliver fully integrated end-to-end risk management solutions that help our clients protect their people, organization, assets and cyberspace. Whether at home and abroad, our clients can grow their operations anywhere in the world.
